

NEW HOME ADDENDUM

The following guidelines are for Residents moving into a new home.

- Satellite dish may NOT be mounted on the house. They may only be installed on a pole in the backyard.
- Nailing, gluing and stapling objects to the exterior walls are prohibited.
- Any alterations to interior or exterior of the home must be approved by Management PRIOR to anything being done.
- Parking may only be in designated parking areas. Do not park on the lock landscape or obstruct the parking area of your neighbors.
- Mobile homes and trailers are NOT allowed in housing areas. They must be kept off the premises.
- Time Warner Communications is the only authorized provider for cable TV service.

To avoid charges for property damage, these guidelines must be adhered to. If you have any questions to these guidelines, please contact the Community Management Office.

I hereby understand and accept the above conditions.
